FOR IMMEDIATE RELEASE

DECISION DYNAMICS ANNOUNCES APPOINTMENT OF NEW EXECUTIVE VICE PRESIDENT CANADIAN SALES

Ron Green to Lead Canadian Sales Team at Decision Dynamics

Calgary, AB - November 29, 2007 – Decision Dynamics Technology Ltd. (TSX-V:DDY), the leading innovative provider of operations management software for the energy industry, is pleased to announce the appointment of Mr. Ron Green as Executive Vice President of Sales in Canada. Mr. Green will lead the direct sales force and manage the company's channel partners to deliver national sales. Mr. Green will be located in Decision Dynamics' Calgary headquarters.

Mr. Green has 12 years of sales and marketing experience in the energy industry, including broad experience in opening up new markets and in driving both vertical and horizontal growth. Most recently, Mr. Green was the Chief Operating Officer of an oilfield service company operating in Canada and the United States.

"I am extremely pleased to have Ron on board as a valuable part of our management team," says Justin Zinke, Decision Dynamic's President and CEO. "His background and expertise are precisely what our company needs at this juncture, and will further strengthen our sales force. Ron's experience will be a valuable addition as we continue to aggressively target the energy industry and grow our sales capacity."

"Decision Dynamics has developed exceptional products that will benefit E&P, Engineering and Service companies alike," says Mr. Green. "The company has excellent technology, high quality staff, and has a suite of flexible products that can be adapted to almost any business model. These factors provide a great foundation for driving future growth of the business, both domestically and internationally."

Mr. Green brings 20 years of management experience to his role at Decision Dynamics, and offers ample experience in both Canadian and international markets. Over the last six years, he was instrumental in building one of the largest production testing companies in North America. During that time he extended the operations from Canada into the United States. Most recently, Mr. Green participated in establishing an international joint venture.

About Decision Dynamics Technology Ltd.

Decision Dynamics Technology Ltd. is a leading provider of innovative software solutions to the energy sector, including major oil and gas and electrical power companies.
