Decision Dynamics COO Appointed to President & CEO

Calgary, AB (October 26, 2006) – Decision Dynamics Technology Ltd. (TSX-V:DDY) announced today that the board of directors has appointed the Chief Operating Officer, Justin Zinke, as President and Chief Executive Officer of the Company effective immediately. He succeeds former President & CEO, Cecil Shewchuk.

Mr. Zinke, joined the company in October 2004 as Vice President of Operations, and brings a wealth of business and technical experience to his new role within the organization. His operating strengths have been a key resource to the successful integration of Malibu Engineering and Software, Ltd. and Time Industrial Inc., which were combined to form Decision Dynamics in July, 2005. Mr. Zinke has a degree in Chemical Engineering from Montana State University and an MBA in Finance from the University of Chicago. He also attended the United States Military Academy at West Point and the College of Petroleum & Energy Studies in Oxford, UK. Mr. Zinke will leverage his wealth of business and technical experience in his new role within Decision Dynamics.

"Sales and operational management are the top priorities at the Company. With more than 25 years providing engineering services and software solutions to the Oil & Gas and Energy Industries, Justin is a very effective leader. Under his leadership, the company will focus on revenue growth and profitability, further positioning Decision Dynamics Technology as an industry leader in automated workflow solutions," said Bill Dimma, Chairman of the Board for Decision Dynamics Technology.

About Decision Dynamics Technology Ltd.

Decision Dynamics Technology Ltd. is a leading provider of innovative knowledge capture, workflow management, reporting and analytics software solutions to the energy sector, including major oil and gas and electrical power companies. Its flagship products include Oncore, a project cost management solution that provides real-time cost information, contract validation and approvals for operations management and capital projects; and Wellcore, a well lifecycle management solution that provides oil and gas companies with business visibility and operations agility. The Company has also developed X-Core, a patent-pending, fully integrated, end-to-end data modeling and application development system that can be leveraged across vertical markets. Decision Dynamics is a Microsoft Gold Certified Partner. The Company's head office is located in Calgary, Alberta, Canada. It operates wholly-owned foreign subsidiaries in the United States with offices in Houston, Texas. Decision Dynamics trades on the TSX Venture Exchange under the symbol "DDY".
